

The Challengers Jam Jar Challenge

#JamJarChallenge

Fundraise for Challengers with the Jam Jar Challenge! There are just 3 easy steps:

Take home one of our lovely Jam Jars! These will be available for you to collect at Challengers HQ or your nearest scheme.

Place the Jam Jar somewhere prominent and fill it with any spare change you have to donate for Challengers.

Return your Jam Jar to your scheme. For every Jam Jar returned you will receive a sticker!

Haven't got a Jam Jar?

Why not fill up another container with your loose change and return to Challengers HQ or your nearest scheme to still be a part of the Challenge.

**Every penny really does
make a difference!**
