

You are invited to take part in

Challengers Orange Friday

1

You choose any Friday that would work best in your calendar to host your Orange Friday.

(If you can't do a Friday, don't worry! Feel free to pick another day.)

2

Everyone is encouraged to wear an orange item on your nominated Orange Friday. This can be as bold as an orange dress or as subtle as orange shoelaces.

3

Each person who takes part in Orange Friday brings in £1 for Challengers, which will help to enable more disabled children to have a place to go to challenge their impairments, make friends and have fun.

Follow the arrows to see some of the fun that your fundraising will enable at Challengers!

Your fundraising will help more disabled children to make friends and most importantly HAVE FUN!

Thank you for your support!
